Head Teacher: Miss Elson

Dear Parents and Carers,

We have had another busy week at Heytesbury this week which included our school drive to collect food to support the Warminster food bank. A huge thank you to everyone who donated and to our school council for organising everything.

It was also wonderful to be able to invite the parents of our Value Champions winners to whole school worship on Friday. It was so lovely to finally be able to have you as parents represented as part of our Friday celebrations. We will be continuing to invite parents individually via Class Dojo on a Thursday evening if your child is going to receive a values champion award. If you have not yet signed up to Class Dojo could I please urge you to do so. Firstly so you can see what your child is up to during the school day and secondly as it is a key way that we will be communicating to you as parents.

This week I have been informed of a few behaviour incidents that have been happening at the park after school. As can be seen by our school behaviour policy we take behaviour seriously and I am always happy to support in any way that I can. As this is occurring after the end of the school day it is not within our remit to monitor this behaviour. However, I have reminded the children that when they are in their school uniform they are representing the school and should be behaving appropriately.

The recent assessment week has allowed us as a school to gather a wide range of data. I have been impressed to see the progress that is being made by all children in the school. The teachers will be sharing this with you individually at parents evenings. I would like to say a huge well done to all the children for the hard work that they are putting in and to say keep it up!

Have a super week. Thank you for your help and support,

Miss Elson
